**Deputy Mayor for Planning & Economic Development: 3**

2006

AT-FSS-2.1-F:-W Street Node : Development of Shared Parking Facilities- DMPED and other agencies will work with local property owners to explore opportunities and financial structures and mechanisms to create a shared parking facility to support neighborhood development.

In Process

**District Department of Transportation: 6**

2006

AT-FSS-2.1-M:-Gateway Node : Expand on-street and off-street parking resources- In order to support, retain and attract local retail, city agencies will collaborate to design a strategy for providing shared parking resources, potentially in the Government Center parking garage during non-office hours.

In Process

AT-FSS-2.1-N:-Gateway Node : Enhance connection to new Transit stop and Anacostia Park- Good Hope Road between MLK and Anacostia Park will be enhanced as a pedestrian-friendly, green connection from the neighborhood into the recreational areas of Anacostia Park East and Poplar Point and highlight the presence of the new transit station possibly through the incorporation of public art.

Complete

On October 2001, Circulator bus service was introduced east of the river. The route runs from the Potomac Avenue Metro Station to Skyland and the Good Hope Marketplace Shopping Center via Barracks Row.

Additionally, The Capital Bikeshare system is planning to increase its presence in Ward 8 in November by added four new station locations:

- Good Hope and Minnesota Ave;
- Congress Heights Metro;
- Alabama Avenue and Malcolm X Avenue;
- W Street and MLK S.E.

AT-FSS-2.1-P:-Poplar Point : Improve access to Metro Parking Garage.

Complete
