

In honor of Hispanic Heritage Month the
DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS
is hosting two bilingual workshops:

Bilingual Builders (General & Home Improvement Contractors)

If you are interested in opening a Home Improvement or General Contractor business, this workshop is for you!

Whether you are a current or future business owner, you will have the opportunity to gain a deeper understanding of the regulatory process, and how to apply for a Home Improvement or General Contractors business license. Also, will provide educational tools to help you navigate DCRA's regulatory process and learn about the services that many of the non-profit business development organizations provide to assist you in developing and growing your business.

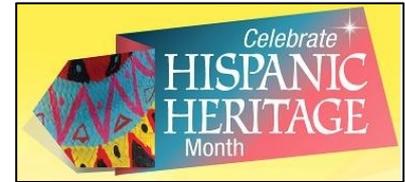

Time: 4:00 p.m. – 5:30 p.m.
